25X1

2. There is also a school for training dogs for MO service located in Slupsk. observed about 40 dogs undergoing training.

3. About 500 young men between 18 and 25 years of age were undergoing training in the MO school. They wore MO uniforms with red piping on the trousers. They also received military training; many times observed training exercises which were carried out with six antitank guns.

25X1

4. A Communist Party school is located in a four-story concrete building near the MO school. This building formerly housed a German secondary school.

5. There is still a Polish underground in the Slupsk region. Underground members were observed in the Debnica Kaszubska and Smoldzino woods, and in 1952 provided food to two young members of the underground in the Debnica Kaszubska wood. In 1953, observed many empty tin cans of American origin in the same wood.
